Mr. William Benwell

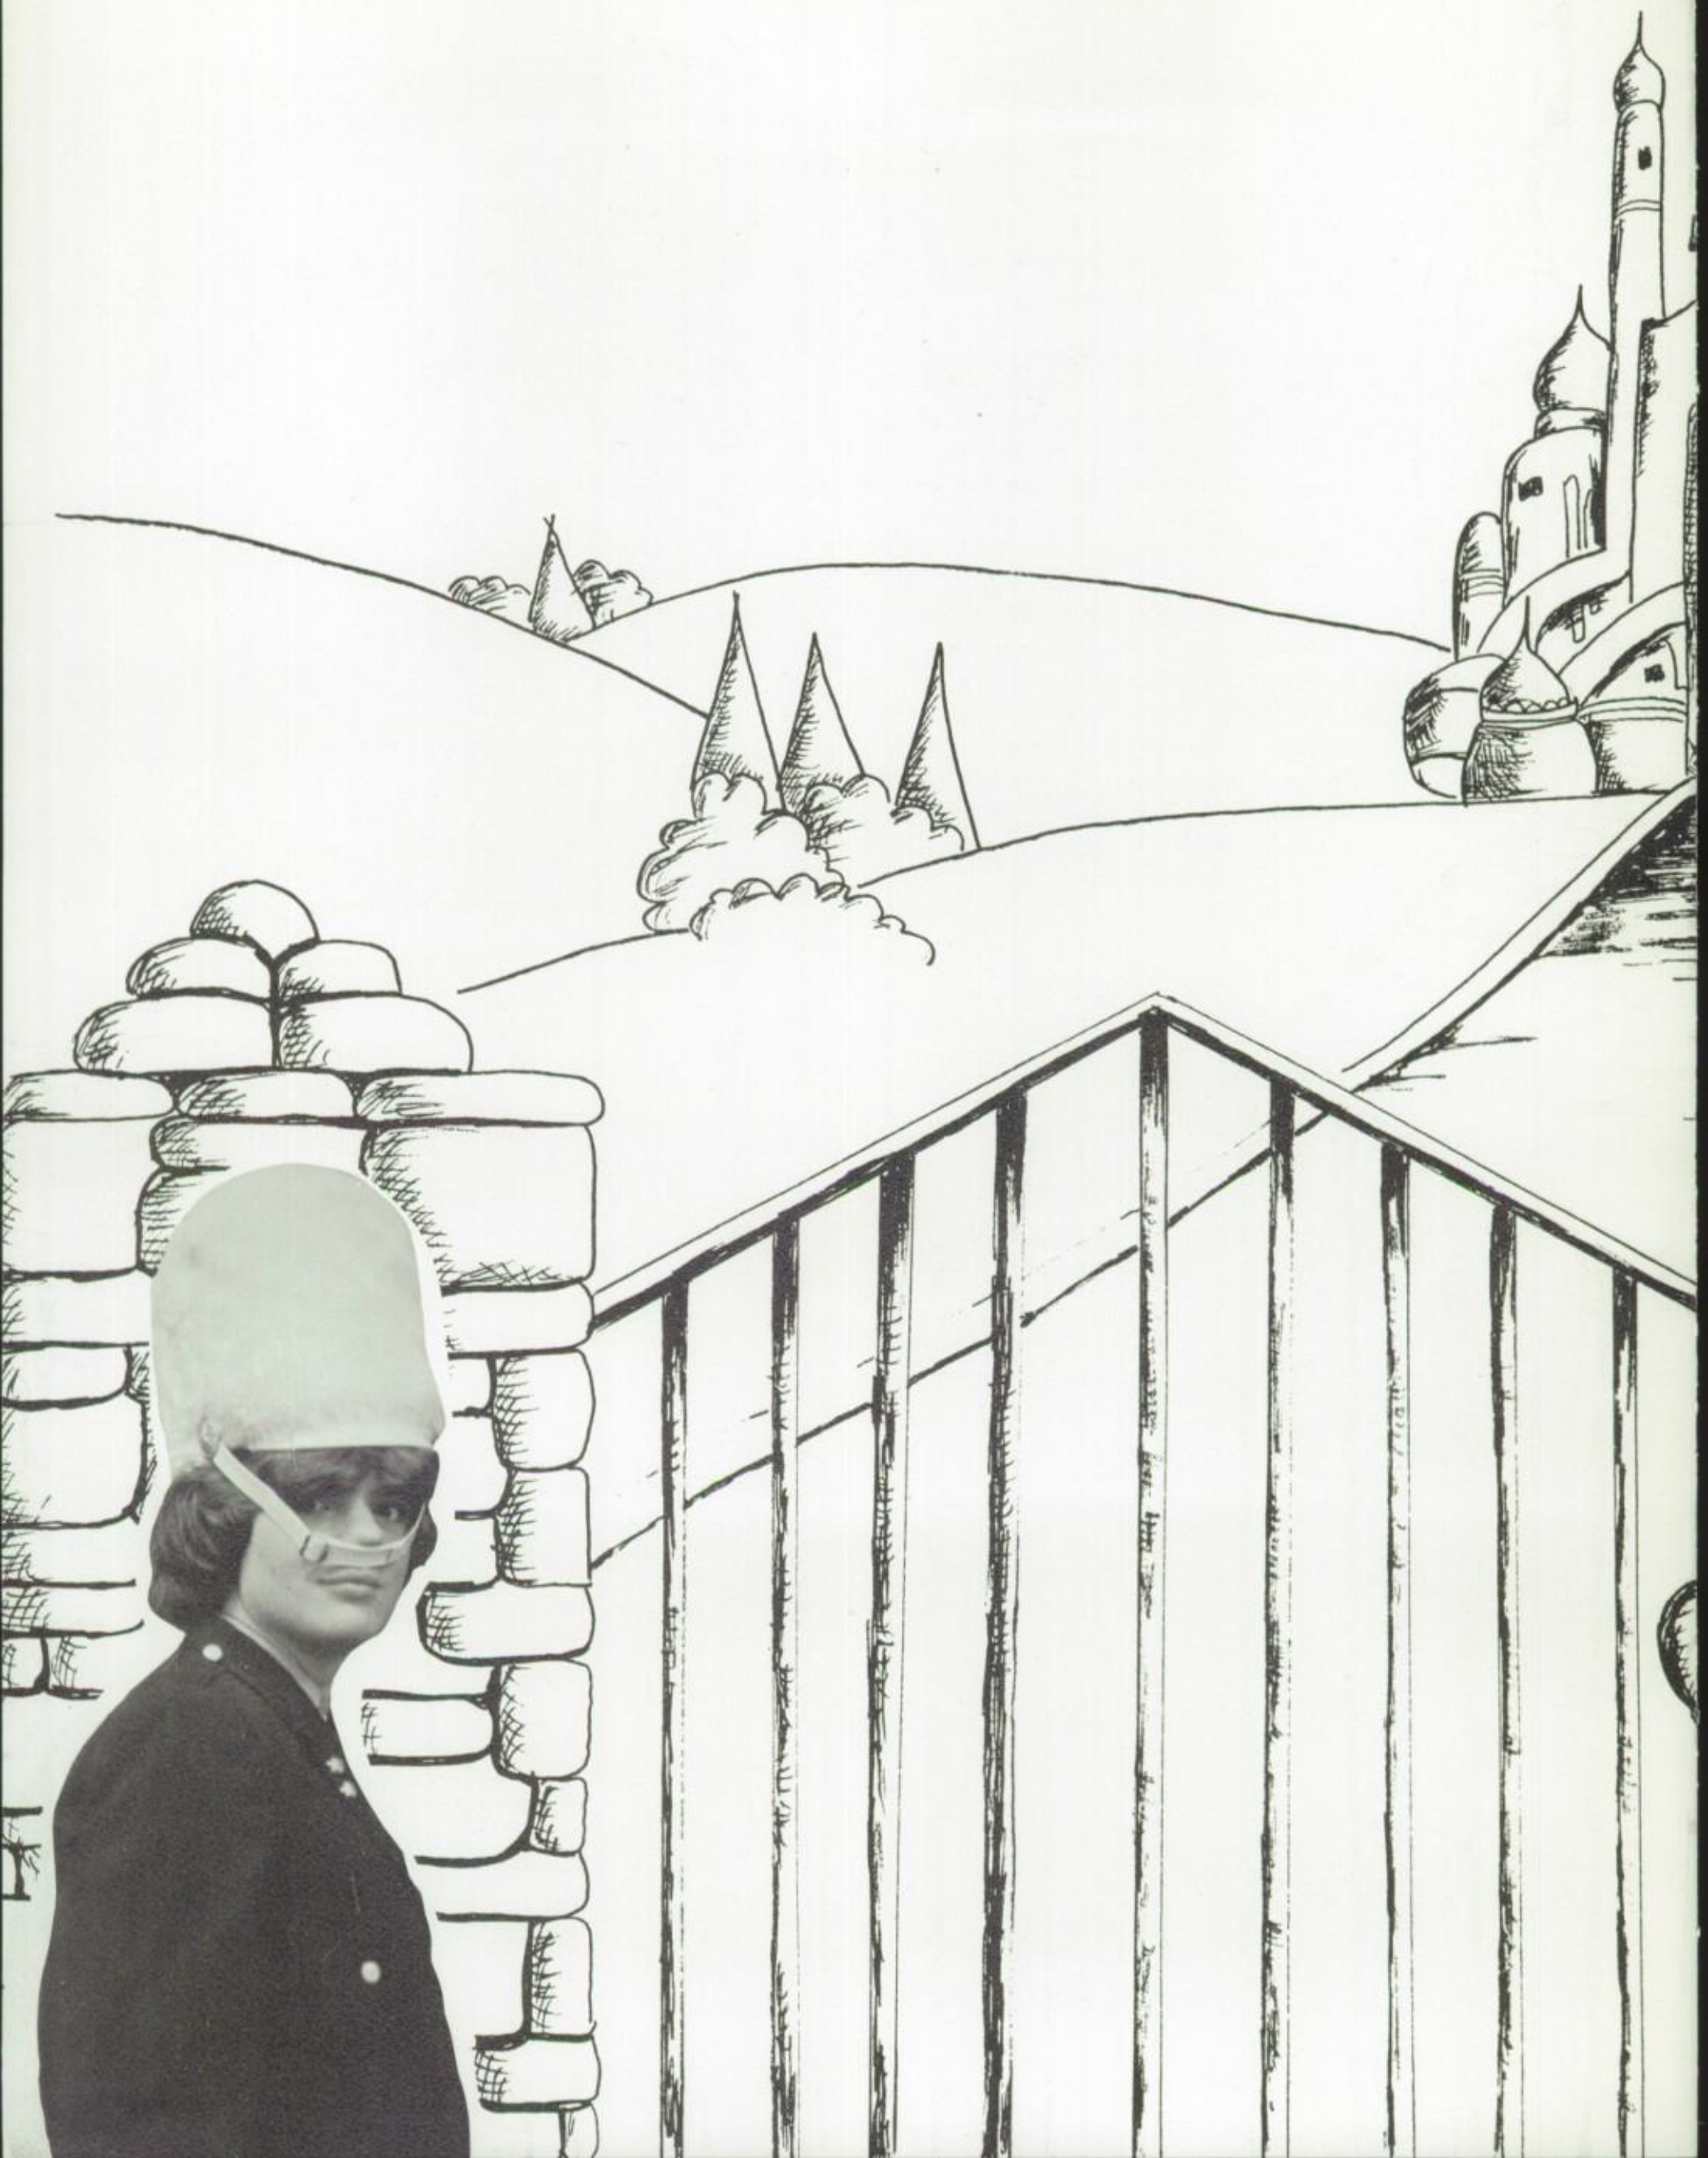

In recognition for the tremendous amount of effort and dedication to the students and faculty of Ramsey High School alike, we the senior class of 1977 wish to dedicate this year's Nugget to Mr. William Benwell.

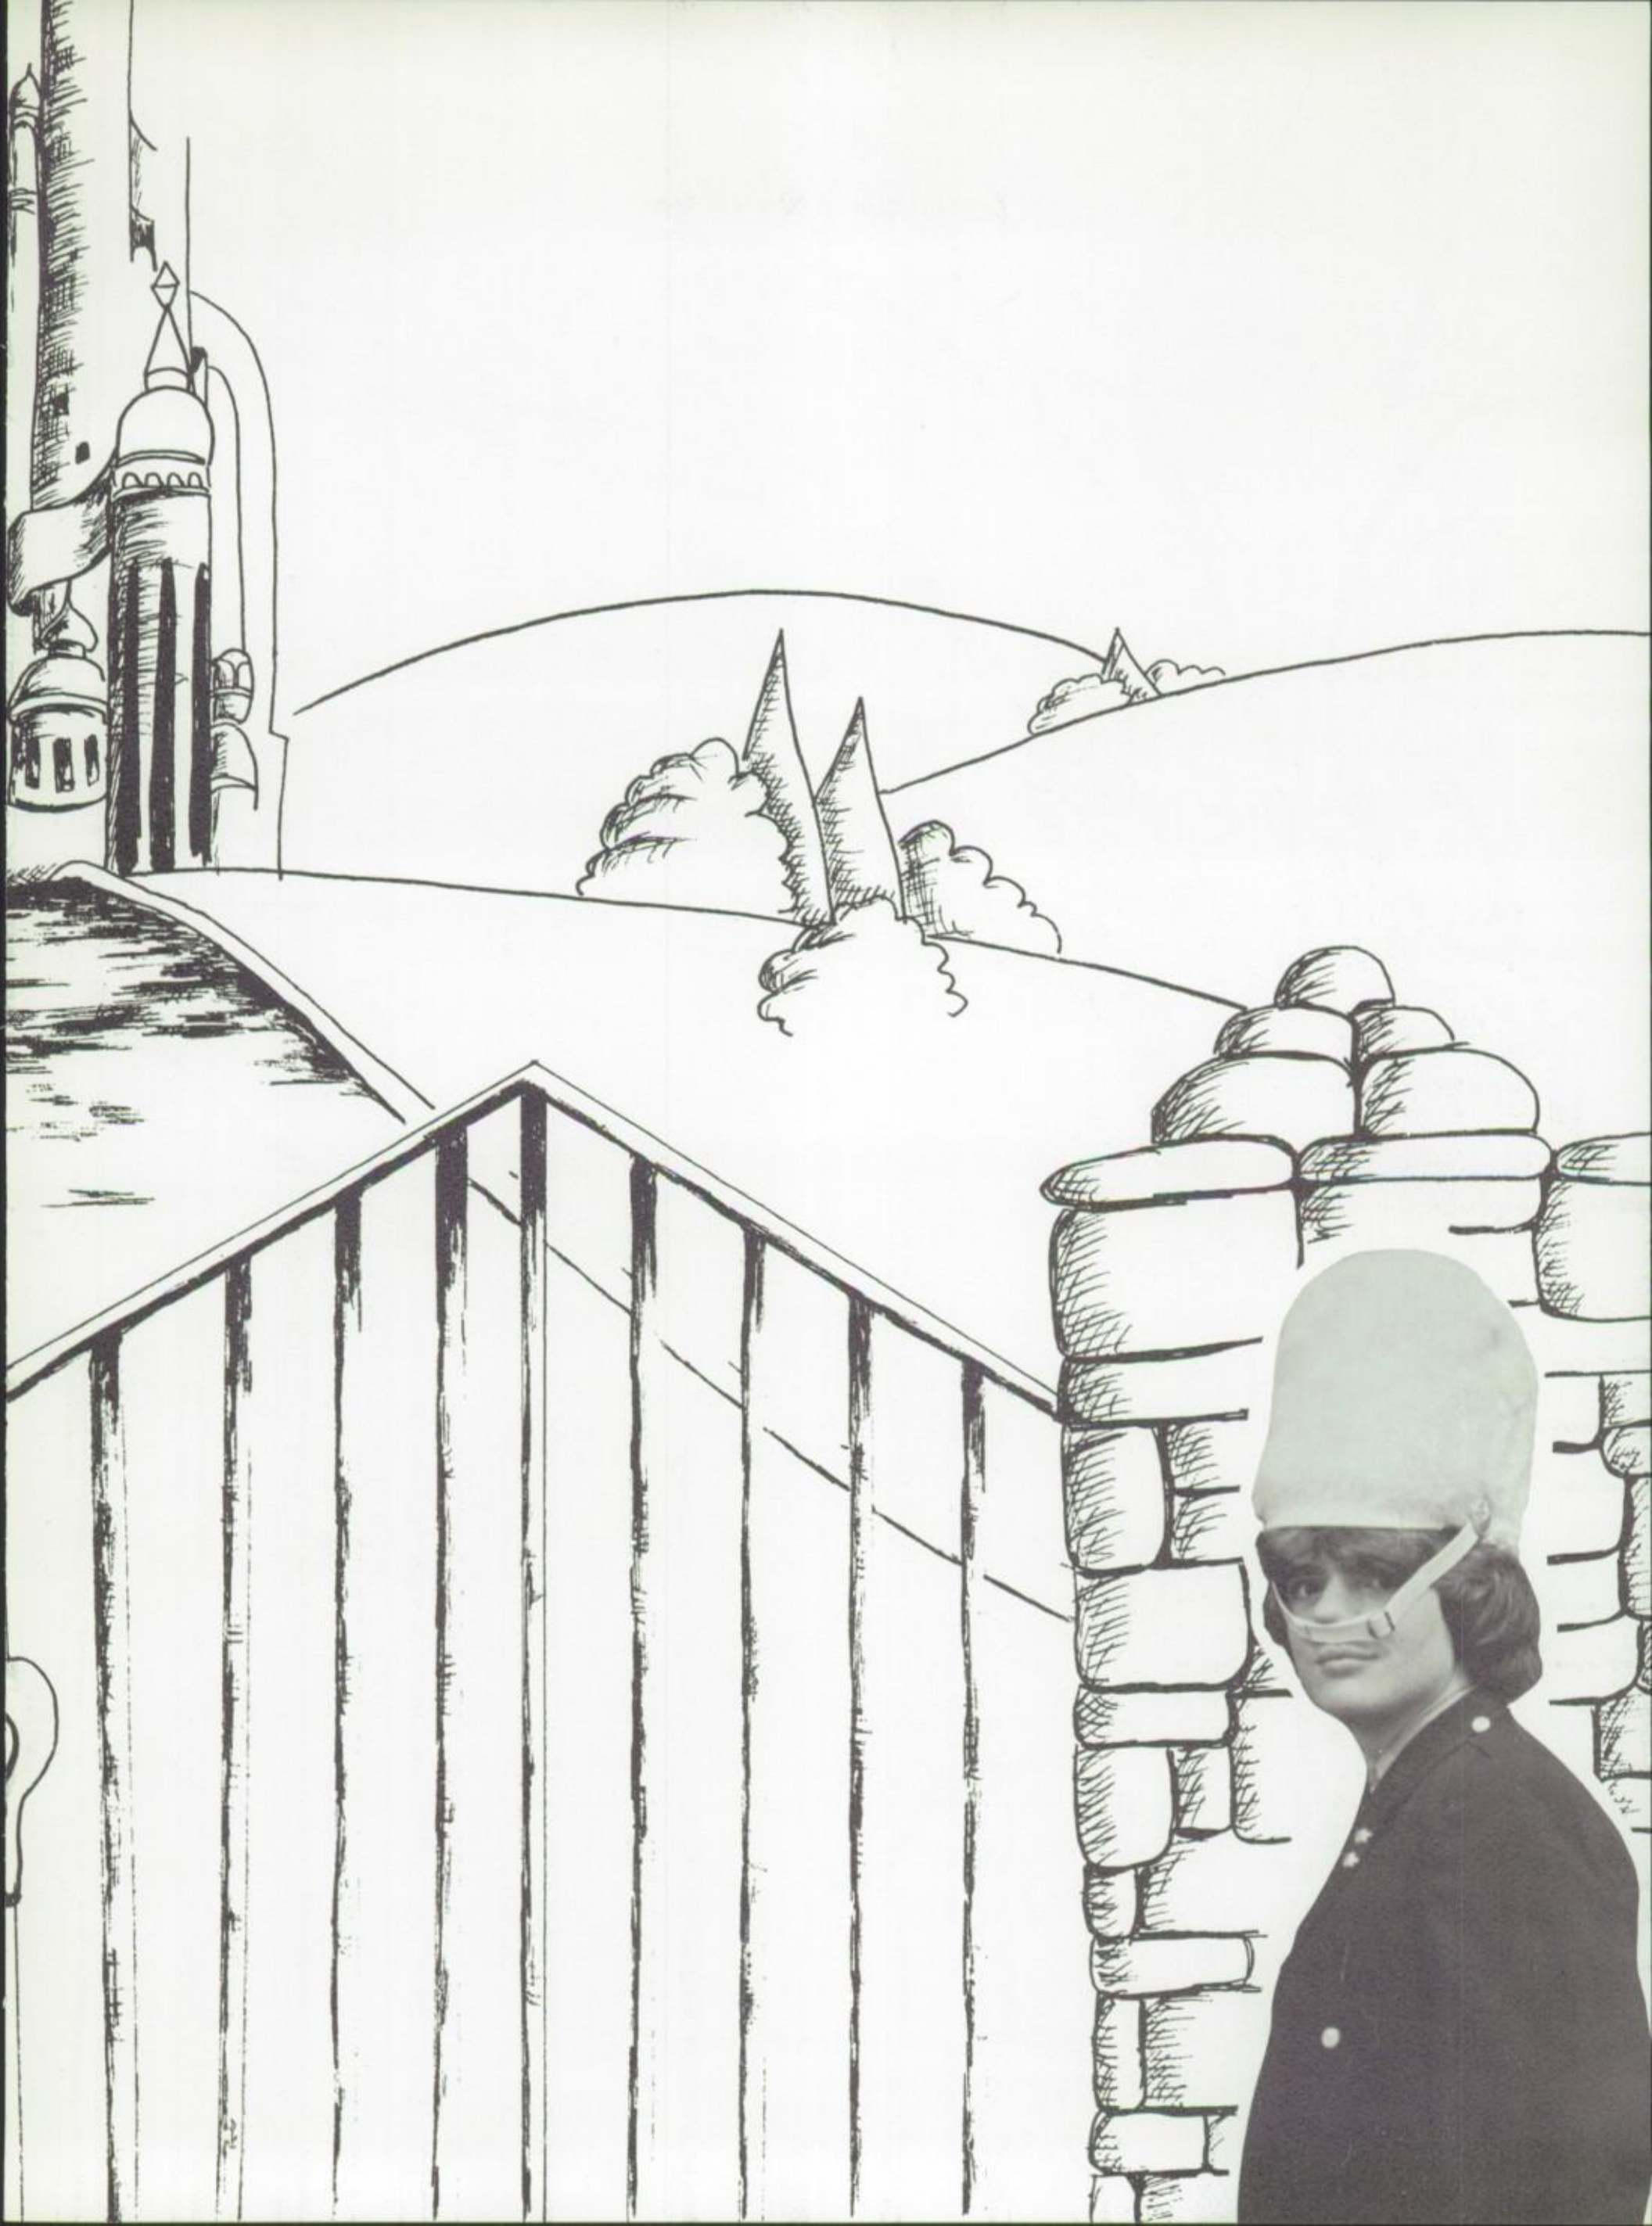

After attending Rensselaer Polytechnic Institute for two years and graduating from Fairleigh Dickinson University in 1972, he began teaching science at Ramsey High School. He has coached the freshman basketball team for the past four seasons and is now the new golf coach. His many talents include playing the saxophone and the guitar. He also skis, plays ice hockey and plays an excellent game of golf.

Mr. Benwell's interest and availability to the students has earned him the respect of everyone. It is no wonder that students feel at ease with him because of his warm smile and casual manner. Those who know him realize that they have a true friend in Mr. Benwell.

Because of his devotion to the highest ideals of the teaching profession, we the class of 1977, wish to dedicate our yearbook as a small token of our appreciation to Mr. William Benwell.

between the lines

We're sorry to see her go

Over the past five years, Ms. Charlie Ruff has become somewhat of an expert on all aspects of publishing a student newspaper. This is no easy task. Now that she is leaving, we'd like to tell her how much we appreciate everything she has done for THE RAM.

Anybody could advise a newspaper. All they'd have to do is sit back and watch while the students try and figure out what they're doing. What makes Ms. Ruff

a good adviser is that she has always been ready to help, but only when asked. She has always been willing to try new ideas and has put in enough effort that she can come up with a lot of ideas and suggestions in any crisis. And there are a lot of people in putting out a newspaper.

There are basically two types of newspaper advisers, those who order and those who order. Ms. Ruff is very important. Ms. Ruff has been one who

reminds us of our "journalistic principles" and the first amendment, but she has never told us what we must or must not print. She has defended us when we have been criticized about the contents of our news or editorials.

For those of us who have worked with her for two and a half years and have gotten used to her Texas drawl, Ms. Ruff's departure makes us sad. We will miss her.

Support the yearbook

The best thing about a yearbook is lots and lots of pictures. To have lots of pictures you have to have lots of pages. Extra pages cost extra money, a lot of money. To get that money and to still keep the price of *The Nugget* within reason, we sell boosters. By selling lots of boosters there can be lots of pages with more and better pictures. So, seniors should get busy and sell their boosters and everyone else should support them.

Readers

Ms. Ruff welcomes letters to the editor. A letter must be signed and dated, although the name can be withheld when the letter is printed. All letters may be subject to editing to meet space or taste requirements.

BERGEN COUNTY CHORUS

The Chorale has performed many times locally and in the surrounding area. Their performances have brought not only good publicity to the group but also to Ramsey High School as a whole. The highlight of this year's Chorale was the International Dinner sponsored by the Este Lauder Company at the Tavern on the Green in New York City. The performance in NYC will forever be a happy memory for all those who participated and brought the group a few steps closer to their goal, a three week tour of Poland and Russia scheduled during the summer recess.

MARCHING RAMS

At Ease!

The Ramsey High School Marching Rams

The Ramsey Marching Band had an excellent season this year. With a spectacular show put together by Kathy Hill, the Marching Rams won many competitions including a grand prix award and two first place awards at the Mahwah Invitational Band Competition. The Marching Rams also gave weekly exhibitions at the half times at Varsity Football games and hosted their own competition in November.

The Marching Rams were led by Drum Major Terry Switzer, with assistants Don Strangfeld and Debbie Sabatini. The Colorguard was led by Captain Inger Busch, Flag Sergeant Mary Ann Kotlarich. The Majorettes were headed by Captain Jenny Flesher and Co-Captain Beth Russo. The show was highlighted by Mary Holland as Ramsey's own Mickey Mouse.

The Marching Band spent a week at Band Camp in the Poconos this summer, learning the show and constantly practicing in order to develop and perfect one of the best drills ever displayed at Ramsey High School.

Ramsey Concert Band

The Ramsey Concert Band is under the direction of Robert Bednar and Noel Young. The Jazz Ensemble is directed by Donald Ball. The Band gives seasonal concerts several times a year.

The Wind Ensemble plays a variety of music developing musical appreciation and technique. This group performed in a concert festival, May 26th, as well as an exhibition at Bucknell University, on April 14th.

Both bands were involved in a six day exchange program with Enola Pennsylvania during April and May. The exciting R.H.S. Winter Guard was also present on the exchange.

What an experience!!!

Through the past few months we the Nugget Staff have tried to create a yearbook that not only would be enjoyed by everyone, but would contain new and exciting ideas never before seen in a Ramsey High School Yearbook.

Along the way we found this was easier said than done. We could have completed the yearbook in the style of other years, but we were determined to carry out our original plans and make this yearbook a unique success.

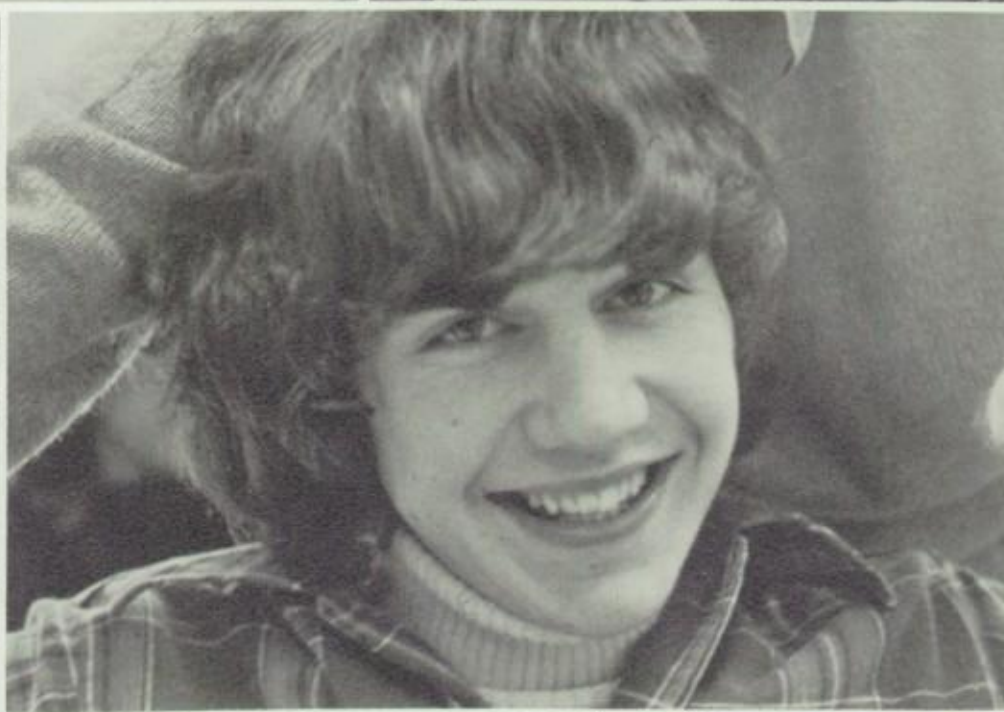

When we received the first rough copy back from the publishers, we realized all the editing, re-editing, cropping and re-cropping was all worthwhile. We were really excited! It gave us the energy to keep going.

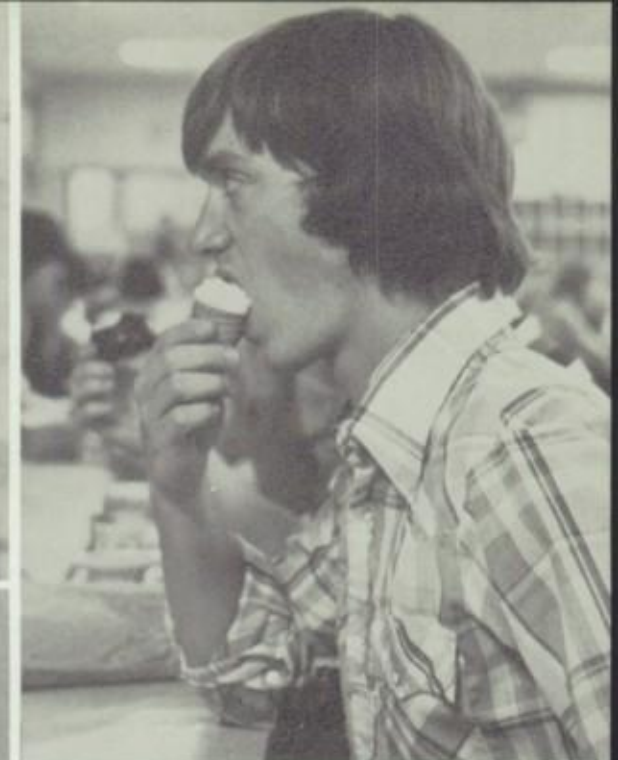

Now that we are done, we can look back and smile at all the times we disagreed and all the cross words that were said. We hope everyone can appreciate the dedicated work and time that went into this yearbook.

The Nugget Staff of 1977 sincerely hopes that everyone will enjoy this yearbook.

*Take your time; think a lot.
Think of everything you've
got for you will still
be here tomorrow
but your dreams may not.*

Summa Cum Laude

"If I only had a brain . . ."

*Whatever you might hope to find among the thoughts
that crowd your mind, there won't be many that
really mattered.*

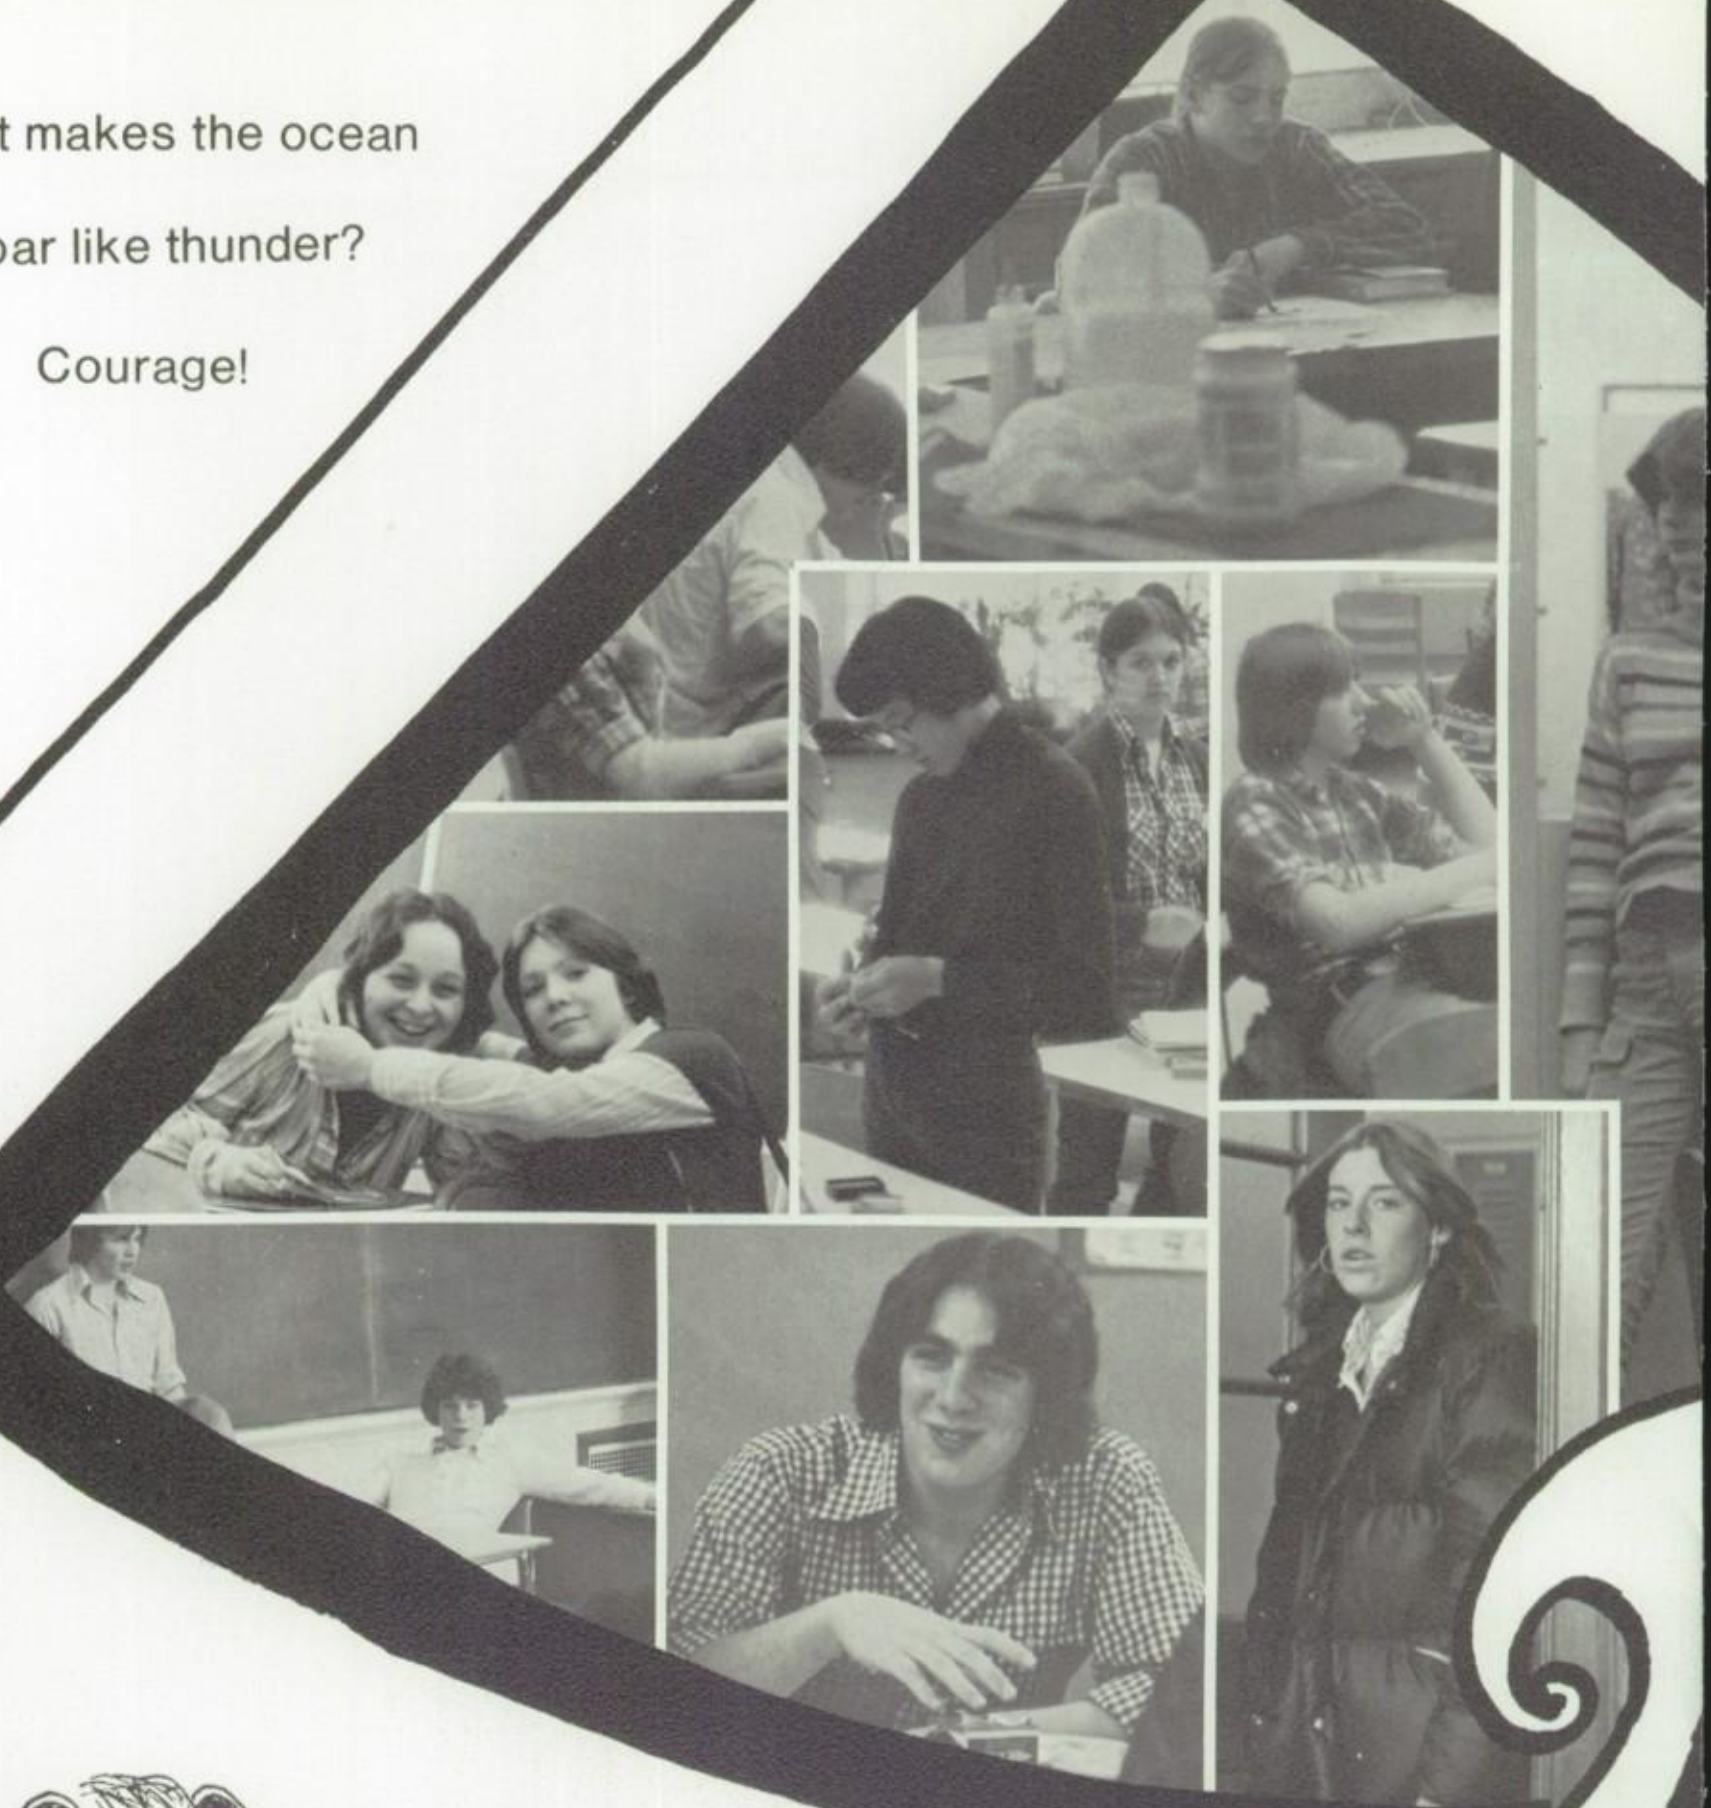

"If I only had a heart . . ."

*Talk of poems and prayers and promises and things
that we believe in
How sweet it is to love someone
How right it is to care
How long it's been since yesterday
And what about tomorrow
And what about our dreams and
all the memories we share
— Jim Croce*

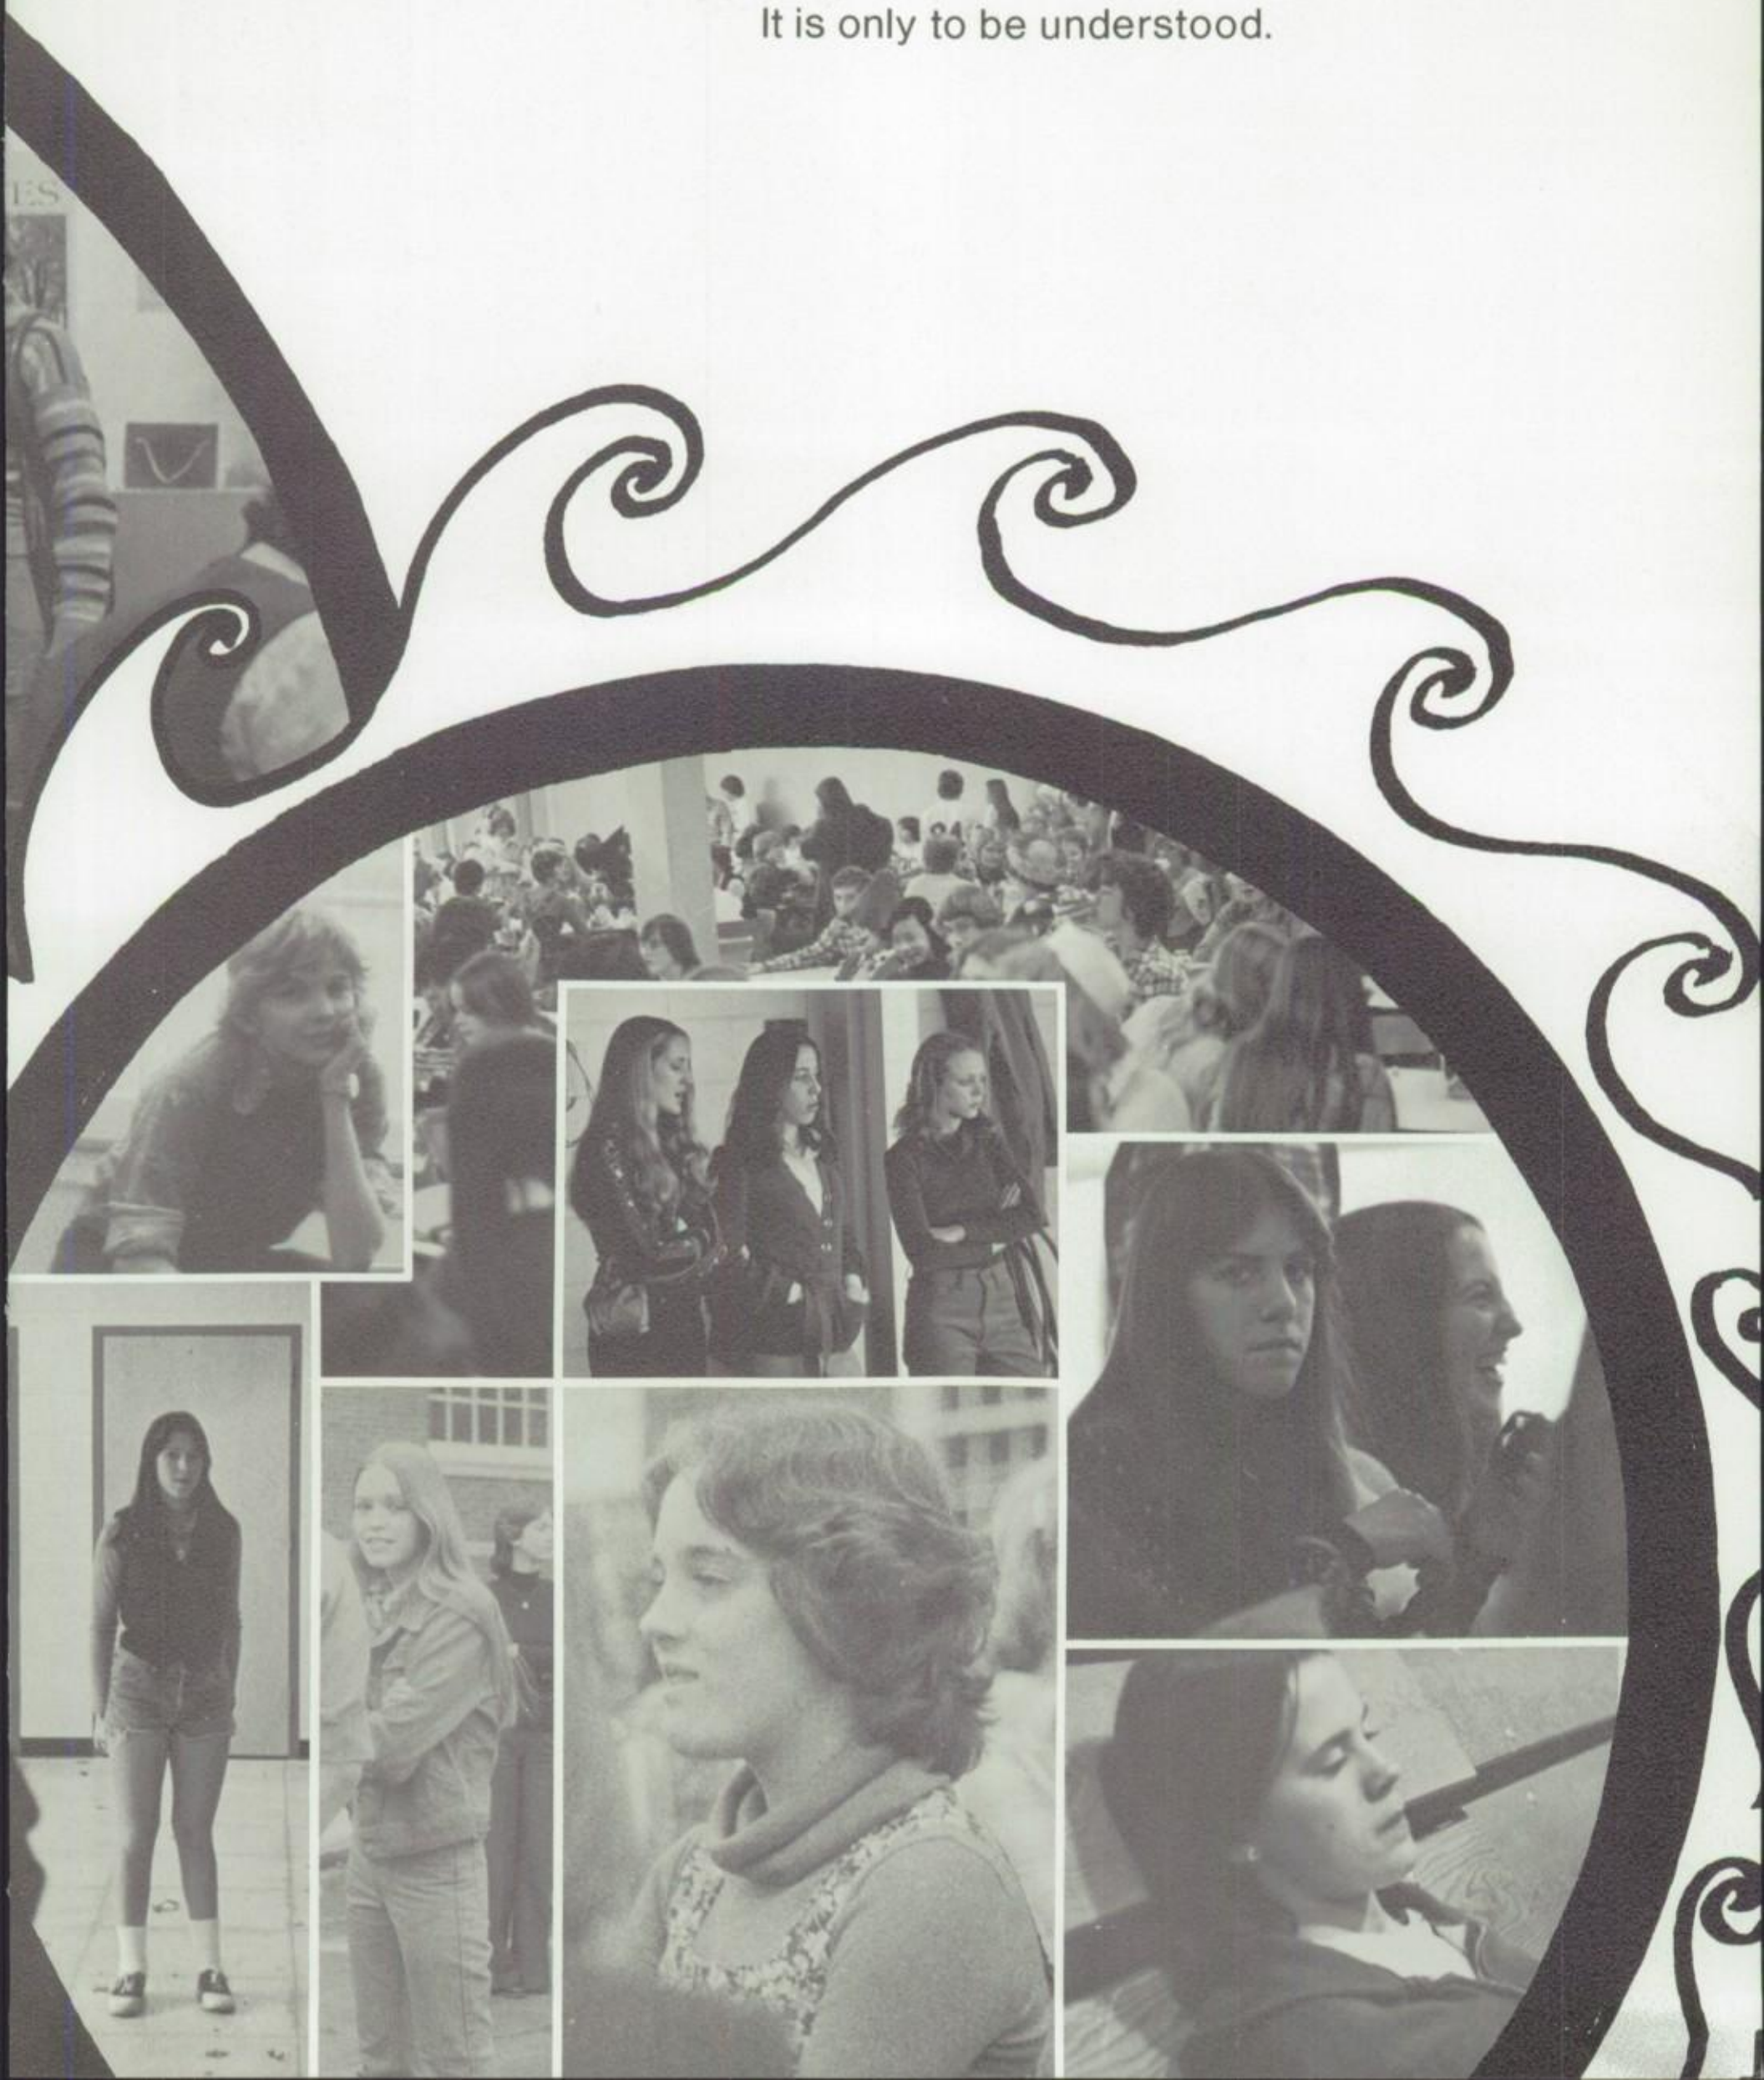

What makes the ocean
roar like thunder?
Courage!

"If I only had courage . . ."

Nothing in life is to be feared.

It is only to be understood.

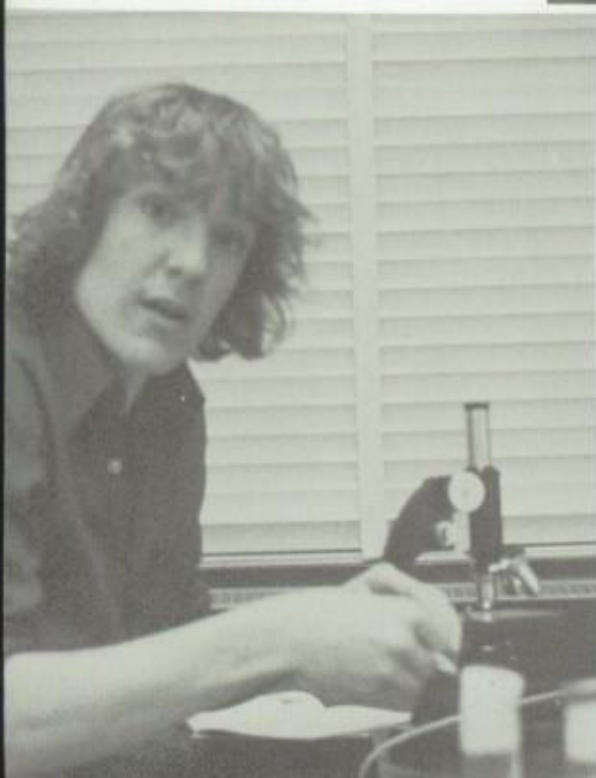

*Life is just a reflection
Sometime mirrored in the past
As we strive for perfection
We live until we last*
Steve Howe

*Happy are those
Who dream dreams
And are ready to pay
the price
to make them
a reality*

*To accomplish great things,
we must not only act but also
dream, not only plan but also
believe.*

*Every individual has
a place to fill
in the world
and is important,
in some respect,
whether they choose
to be or not.*
N. Hawthorne

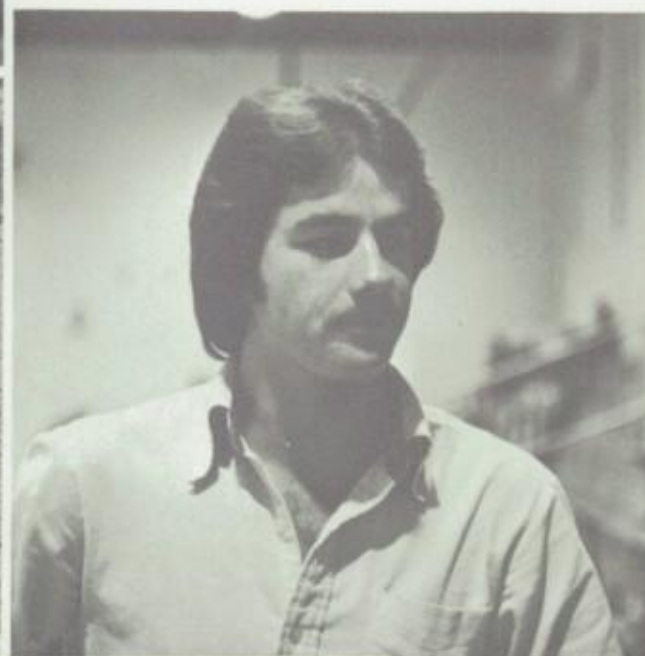

*There are no strangers here
Only friends we haven't met*

*I do my thing, and
you do your thing.
I'm not in this world
to live up to your
expectations
And you are not
in this world
to live up to mine.
You are you
and I am I,
And if by chance
we find each other,
It's beautiful.
F.S. Perls*

*A friend is one who knows you as you are
understands where you've been
accepts who you've become and still,
gently invites you to grow.*

This year's team continued the winning tradition of Ramsey football, taking five of eight games. Despite being the underdog in many contests, Coach John DePuyt's scrappy and determined Rams pulled out some thrilling victories.

Highlights of the season included a dramatic come-from-behind win over Glen Rock and a stunning upset of perennial power Elmwood Park. The Rams were paced by tri-captains Tom Gallagher, Ken Pederson, and Mike Shea, and All-League stand-outs Bruce Herron and Yale Bray.

Four short years ago the girls' field hockey team completed its first season without a win. This year the team ended not only with a 14-1-2 record but also with the League, Sectional, and co-state titles. For the League title the Rams defeated Hawthorne, 2-1 after tying them earlier in the season. In the state tournament the team defeated Old Tappan and Northern Highlands for the sectional title. The Rams then upset powerful West Essex to reach the State finals. In the State final against Moorestown, the hard played game ended in a 1-1 tie. After two scoreless overtime periods a co-state championship was declared.

And victory was theirs in 15 out of 15 meets, as they went on to win their second consecutive State Sectional Championship. Co-captains Roger Jones and John Brennan received personal honors and recognition, and the team's overall showing remained outstanding.

The Rams were also the area's leading defensive team allowing opponents an average of less than 48 points a game. The team posted a 9-4 record over the second half of the season.

The highlight of the season came when the Rams defeated Lodi, 47-38 . . . Lodi had previously only lost one game during the season.

Outstanding performances were evident throughout the season by Co-Captains Bill Duryea and Ken Pederson.

Chess Team

The Ramsey Chess Club placed second in the B.P.S.L. for the third consecutive year. Considering that the B.P.S.L. Championship team, Passaic Tech, also won the state championship, our Rams completed a rather successful 8-2 season. Four seniors — Steve Herx, Bob Donnelly, Pete Hughes and Kevin Brokaw — were included in the eight board team. The distinction of first team all league went to Steve Herx and Andy Kondoleon, and of second team to Bob Donnelly and Myshkin LeVine. Honorable mentions were awarded to Pete Hughes, Doug Jerman and freshman Alex Smith. The 1977-78 season promises to be an exciting one due to four returning lettermen and the interest shown by this year's freshmen.
